Hi any input is welcome. we are being asked to publish by 5pm. So anytime before 4pm would be doable. Concise key points bullets only thx.
Had a discussion with Scott as well for input.
Our daily key points are going to ADM NS OPS and PCO as well as MINO (Blair and Mendicino) and PS DMO – we can add you to the list as well.

Merci!

Hi Lynne. We are currently providing a daily sitrep out of the GOC.
Deryck, would you please follow up with Lynne to coordinate the agency's input. Many thanks. T

Hi Trevor. I am reaching out as we have been informed (below) that the Minister is requesting a daily portfolio sitrep on the convoy situation. I assume this will be prepared by the GOC and wanted to ensure we align our reporting to yours in terms of rhythm (daily deadline for input) and in terms of what type of content you are seeking from CBSA. The format will follow our BOC

usual sit rep model but grateful if you can share any details that will help us ensure we meet your expectations.

My colleague from our Intel and Enforcement Branch, Mike Bisson cc'd here, will be leading the daily write up.

Do not hesitate to call me as needed. Txs

Subject: Convoy Sitrep

Hi,

The President has asked that we provide a Sitrep to the Minister, in collaboration with PS, that includes implications at the border, possibly Ottawa personnel, etc and also contingency plans.

Lara – Scott tabled this at EC Informal so will ask that IEB connect with PS and lead for CBSA with input from TRAV and CTB.

Please provide an update by 3pm today.

Thanks,
Jag
